MADE IN THE USA

## MADE IN THE USA

With its American-made quality and comfort, its innovative design and styling, and a wide array of customization options, Homecrest Outdoor Living is proud to be an iconic American brand that continues to be designed, engineered, and manufactured right here in the USA.

# OUR STORY

Homecrest Outdoor Living champions comfort and quality while remaining a truly American-made brand. Our roots go back to 1953, and over the course of our nearly 70 years in the industry, we have continually valued passion for casual outdoor furniture and the lifestyle that goes with it. Moreover, we have embraced and influenced the American outdoor living style as it has developed and evolved. We have been here for our customers with service that goes above and beyond, and we always strive to make your experience with Homecrest exceptional.

From our natural-looking table tops to our cushionless deep seating, Homecrest furniture is designed for durability and comfort and backed by industry-leading warranties. Everyone on the Homecrest team believes in the Homecrest brand, community, and purpose. Throughout the years, Homecrest has prided itself on being a company that not only builds outdoor furniture, but also builds a tight-knit community that promotes family, comfort, joy, health, and well-being.

## SUSTAINABLE PRODUCTS

Healthy outdoor living means protecting the environment. Today, more designers and consumers are interested in environmentally friendly designs and products. Homecrest Outdoor Living products are designed and tested for an extended life cycle to reduce our impact on the environment. We consistently conduct testing at higher levels than the industry requires, lengthening our product life span for many years.

## INDUSTRY-LEADING WARRANTY

Homecrest is proud to manufacture its iconic designs in America and support quality workmanship with the industry's most comprehensive product warranty.
