

CHAIN LINK FENCING

Nothing beats our maintenance-free 9-gauge aluminized-coated steel chain link fabric for durability and rust-prevention. Plus, it's available in 3', 3.5', 4', 5', 6', 7', 8', 10' and 12' heights and is available in commercial 6-gauge. It meets ASTM specifications A 491 and is accompanied by a 12-year warranty.
