Your pet is just as much a part of your family as any other member. Providing a lifetime of unconditional love and affection, you want the opportunity to provide your pet a respectful, loving tribute. Recognizing memorialization is an important step in the grieving process, we introduce to you KEEPSTONES® Memorials.

Crafted from the finest natural stone, not synthetic material, KEEPSTONES Memorials are resistant to many of the harmful conditions associated with the outdoors. With a beautiful variety of colors and sizes to choose from, you're able to express a lasting message of love and admiration for your beloved pet with these unique and personal memorials.

## Personalizing your garden.

For the individual looking for a distinguished way to personalize their garden, KEEPSTONES Garden Stones offer you a natural way to accent your landscape. Celebrate that special anniversary, birthday or other occasion. Memorialize a loved one with a dedication stone. Or simply set in stone a motivating message.

Each of our 100% natural stones come from the quarry and are not processed, formed or man made. The stone material you select is then engraved with your personalized message and colored with black acrylic stain. This stain is resistant to chipping or fading, so your message remains year after year.

Show off your personal tastes by displaying a unique and durable KEEPSTONES.
